Vitrified Step & Riser

Features & Benefits

Concepts for Designing

Step & Riser by Mestro are available in Different designs and colors. As High Quality Tiles, They meet the technical Requirements of Different standards for the Production of stairs. The comprehensive concepts comprising basic, Decor and functional tiles can be used for a durable.

Long Lasting & Easy Maintenance

Step & Riser are full-body vitrified tiles, which means they absorb very low water and are impervious to weather or wear and tear induced damage. Fit them and forget them for years of trouble free performance.

Safety for Senior Citizens, Physical Disables & Children

Safety is always the number-one priority. It is safe enough for senior citizens, physical disables and children. In addition to slip resistance in compliance with the applicable standards, Step Riser Vitrified tiles offer particular durability and also easy-care properties.

Easy Installation

No more handling issues. No more labour intensive one-site installations, no more wastage costs. Mestro Step & Riser can be easily and speedily installed on site. Chipped and worn out staircases, constant need for polishing & repairs, are all things of the past.

Prefabricated stairs with bearing surface insulated to reduce impact sound
